### SUMMARY

I am an Enthusiastic, Self-Motivated, Reliable, Responsible and Hard-working Person. I am looking an **Internship** in according to make the most out of the course and polish the skills learned by Working with people who have incredible experience in this domain to hone my organizational skills and teamwork abilities.

### EDUCATION

**B.E Computer science and Engineering | Nov 2021-Pursuing**

**Jansons Institute of Technology, Coimbatore**

I am dedicated, organized and very willing to learn and develop new skills. I have an active and dynamic approach to work and getting things done. As a result of my hard work and dedication, I have secured a **CGPA of 8.69** in the current semester and trying to maintain it the same.

### INTERNSHIP

**Mar 2023 - Mar 2023**

**Coimbatore**

I worked as an Intern in the field of **Embedded and IOT** at **Pantech e- Learning** Institute for one week. The best thing about my Internship is that I get a lot of Hands-on Experience and it expands my Knowledge and Comprehension of Embedded systems.

**June 2023 - July 2023**

**Coimbatore**

I worked as an Intern in the field of **Python Programming** for the period of 1 Month at **Krish Info Tech Pvt Ltd**. I acquired new programming concepts and techniques, adapting to changing project requirements and timelines. This Internship immerse myself in the world of python and helped me to gain valuable Hands -on coding Experience.
